

MICRO FOCUS CUSTOMER TERMS - SOFTWARE-AS-A-SERVICE

Scope and Parties. These Micro Focus Customer Terms for Software-as-a-Service (the “**Agreement**”) govern the purchase, access and use of software-as-a-service from the applicable Micro Focus entity and affiliates (“**Micro Focus**”) by the customer entity identified in the applicable Order (as defined herein) (“**Customer**”). The terms of this Agreement become effective the earlier of (i) the date of the last signature on the applicable Order; (ii) the date of online acceptance of the applicable Order by Customer; or (iii) the date Micro Focus makes the applicable Micro Focus SaaS available for Customer’s use (the “**Effective Date**”) and will remain in effect unless terminated pursuant to Section 16 (Term and Termination).

- 1. Micro Focus Software-as-a-Service.** “Micro Focus Software-as-a-Service” or “Micro Focus SaaS” mean the Micro Focus branded online software solutions that Micro Focus makes available for Customer’s use through a network connection, each as described in the applicable service description and the additional terms or conditions applicable to a given Micro Focus SaaS (collectively, “**Service Description**”), all of which are made a part of this Agreement. The terms for authorized use of each Micro Focus SaaS are stated in the applicable Service Description. The applicable Service Description is either attached hereto or can be found by accessing a Micro Focus or provider website; all references in this Agreement to “Service Description” shall refer to the Service Description that corresponds to the applicable version of the Micro Focus SaaS made available to Customer. In the event of a conflict, the Order and Service Description takes precedence over this Agreement in that order.
- 2. Orders.** An order for Micro Focus SaaS may be placed by Customer or any entity of which Customer has the beneficial ownership of at least 50% of the voting interests of such entity (an “**Affiliate**”) through a document for the provision of the Micro Focus SaaS: (i) which is agreed upon by the parties; (ii) which may be titled “Order”, “Order Form”, “Services Order Form”, “Schedule”, or comparable title; and (iii) which incorporates this Agreement, including incorporation by reference to a URL on the Micro Focus website (each upon Micro Focus’ acceptance, an “**Order**”).
- 3. Access Rights.** During the applicable SaaS Order Term (defined in section 16(a)), Customer and its Affiliates may access and use Micro Focus SaaS in accordance with the applicable Service Description and this Agreement. Customer is responsible for ensuring that it and its Affiliates comply with the terms of this Agreement and the applicable Service Description. Customer is further responsible for any and all use of Micro Focus SaaS by Customer, its Affiliates, and Third Party(ies) through its credentials, Orders placed by or on behalf of its Affiliates, and any account that it or its Affiliates may establish. Customer agrees to maintain the confidentiality of its account, credentials, and any passwords necessary to use Micro Focus SaaS and agrees to ensure that its Affiliates and Third Parties agree to do the same. “**Third Party(ies)**” means contractors or consultants of Customer or its Affiliates retained to provide services solely for the internal benefit of Customer or its Affiliates. Should Customer or its Affiliates believe that there has been unauthorized use of its or their accounts, credentials, or passwords, Customer must immediately notify Micro Focus.
- 4. Usage Limitations.** Micro Focus SaaS may be used only for Customer’s internal business operations or functions and not for commercialization of Micro Focus SaaS or to provide services or benefit to any third party. Customer will not: (i) exceed any usage limitations identified in the Service Description; (ii) assign, sell, resell, license, rent, lease, lend, sublicense, outsource or otherwise transfer rights to use or access Micro Focus SaaS to any third party except as specifically permitted in the Service Description; (iii) copy or reproduce any portion, feature, function, or user interface of Micro Focus SaaS; (iv) interfere with or disrupt the integrity or performance of Micro Focus SaaS; (v) use Micro Focus SaaS to submit, send, or store SaaS Data (defined in Section 6 (Customer-provided SaaS Data) below) that is obscene, threatening, libelous or otherwise unlawful or tortious material, violates any third party’s privacy rights, risks harm to Micro Focus’ reputation, or infringes upon or misappropriates intellectual property rights; (vi) use Micro Focus SaaS to disrupt or cause harm to a third party’s system or environment; (vii) submit or process SaaS Data via the Micro Focus SaaS that impose a greater obligation on Micro Focus than as expressly set forth in the Agreement (viii) access Micro Focus SaaS to build a derivative work, competitive product or service to Micro Focus SaaS or software; (ix) reverse engineer Micro Focus SaaS or software; or (x) authorize, allow or appoint any third party to do any of the foregoing. Customer is responsible for complying with all terms of use for any software, content, service, or website it loads, creates, or accesses when using Micro Focus SaaS and ensuring compliance with applicable local, state and national laws and regulations in connection with the use of the Micro Focus SaaS, including those related to export compliance, data privacy, international communications and the transmission of data. Upon written notice to Customer, Micro Focus may require Customer’s assistance in verifying usage of the Micro Focus SaaS in compliance with the terms of this Agreement, the Order and the Service Description.

5. **Payment.**

- a. **Obligation to pay.** Customer agrees to pay (i) all applicable fees for Micro Focus SaaS and Licensed Software (defined in section 10) and (ii) any storage fees following expiration or termination of the SaaS Order Term. Customer agrees to pay all invoiced amounts within thirty (30) days of Micro Focus' invoice date. Customer shall be liable for all outstanding past-due amounts, which shall accrue interest at the rate of 1.5% per month compounded or, if lower, the maximum rate allowed by applicable law, and any collection costs associated with the collection of any past-due amounts. Micro Focus may also suspend or cancel performance of open Orders or services if Customer fails to make payments when due. Customer purchase orders are for administrative convenience and not a condition of payment. Not providing a purchase order does not relieve Customer from the obligation to make timely payments as set forth in this Agreement.
- b. **Prices and Taxes.** Prices will be as quoted in writing by Micro Focus in the applicable Order or, in the absence of a written quote, as set out on a Micro Focus website or portal, or Micro Focus published list price at the time an Order is submitted to Micro Focus. Prices are exclusive of taxes, duties, and fees unless otherwise quoted, and all such amounts shall be paid or reimbursed by Customer. After the Initial Term, Micro Focus may increase the prices by no more than ten percent (10%) per year, by providing Customer with prior written notice.
- c. **Usage-based Micro Focus SaaS.** If Customer purchases Micro Focus SaaS through a usage-based model, Customer agrees to issue a purchase order to Micro Focus within 15 days of receiving a usage report from Micro Focus. If Customer does not issue a purchase order as so required, Customer agrees that Micro Focus may invoice Customer without a purchase order and Customer agrees to pay such invoice in accordance with Section 5(a) above.

6. **Customer-provided SaaS Data.** Customer is solely responsible for the data, text, audio, video, images, software, and other content input into a Micro Focus system or environment during Customer's (and its Affiliates' and/or Third Parties') access or use of Micro Focus SaaS ("**SaaS Data**"). As between Micro Focus and Customer, Customer is and will remain the sole and exclusive owner of all right, title, and interest in and to all SaaS Data. Subject to Section 7, Micro Focus will treat SaaS Data as confidential by not disclosing it other than to its employees, affiliates, subsidiaries, contractors, and suppliers solely for the purposes of the Permitted Uses (as defined below). Customer hereby provides to Micro Focus all necessary rights to Customer- provided SaaS Data to enable Micro Focus to perform its obligations, and exercise its rights, under this Agreement. Subject to Section 7, Micro Focus will use SaaS Data only as necessary to provide Micro Focus SaaS, provide or maintain the security and integrity of Micro Focus SaaS, provide technical support to the Customer or as otherwise required by law (the "**Permitted Uses**").

9. **Operations.** Micro Focus: (i) may modify the systems and environment used to provide Micro Focus SaaS; and (ii) reserves the right to make any changes to Micro Focus SaaS that it deems necessary or useful to maintain or enhance the quality or delivery of Micro Focus SaaS to its customers, the competitive strength of or market for Micro Focus SaaS, or Micro Focus SaaS' cost efficiency, or performance. If a change is anticipated to have a material adverse effect on Customer's use of the affected Micro Focus SaaS, Micro Focus will: (i) give reasonable advance written notice identifying the reason for the change and the expected impact prior to implementing such change; and (ii) consult with Customer to identify ways to mitigate the impact of any such change. Micro Focus may use global resources, such as Micro Focus affiliates or third parties, in worldwide locations to provide Micro Focus SaaS and perform its obligations.

EXCEPT AS SET FORTH HEREIN AND TO THE EXTENT PERMITTED BY LAW, ALL OTHER WARRANTIES WITH RESPECT TO THE MICRO FOCUS SAAS AND LICENSED SOFTWARE, WHETHER EXPRESSED OR IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, QUALITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, AND WARRANTIES THAT MAY ARISE OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE, OR TRADE PRACTICE ARE EXPRESSLY DISCLAIMED BY MICRO FOCUS, ITS AFFILIATES, AND ITS THIRD-PARTY SUPPLIERS. Customer grants Micro Focus a non-exclusive, worldwide, royalty-free right and license to any intellectual property rights, data and technology, including SaaS Data, that is necessary for Micro Focus and its designees to perform Micro Focus SaaS.
13. **Indemnification.** Micro Focus will defend and/or settle any claims against Customer that allege that a Micro Focus-branded product or service as supplied under this Agreement infringes the intellectual property rights of a third party ("**IP Infringement Claim**") by paying infringement claim defense costs, Micro Focus negotiated settlement amounts, and court awarded damages, provided: (i) Customer promptly notifies Micro Focus in writing of the IP Infringement Claim; (ii) Micro Focus has sole control of the defense and all related settlement negotiations; and (iii) Customer

Either party may terminate the Agreement, effective at the end of the Initial Term or then-current Renewal Term, by providing the other party at least 60 days prior written notice. The Initial Term and the Renewal Terms may be collectively referred to as the "**SaaS Order Term**".
 - b. Either party may terminate this Agreement if the other fails to meet any material obligation and fails to remedy the breach within thirty (30) days of being notified in writing of such breach. Micro Focus may terminate this Agreement (i) where access and use rights are suspended pursuant to Section 15 (Suspension) or (ii) where any such access and/or use under this Agreement fails to comply with applicable laws or regulations. Except in the event of a material breach or as expressly provided in this Agreement, neither party will be permitted to terminate the applicable Order or this Agreement prior to the end of the Initial Term or applicable Renewal Term.
