Definitions

Capitalized terms not otherwise defined in this ALA document are defined in the governing agreement.

Term	Definition
Concurrent Active Custodian	Means a specific individual who is listed in an active hold notice at any point in time.
Device or Dev	Means an addressable entity, physical or virtual, including but not limited to router, switch, bridge, hub, server, PC, laptops, handheld device or printer that resides within the range defined for interrogation and asset tracking.
Employee	Means those personnel employed by you.
GB	Means gigabytes which designates the amount of physical capacity that can be managed.
Internal Use	Means access and Use of the software for purposes of supporting your internal operations or functions.
LTU	Means License To Use.
Server or Svr	Means any designated computer system in which an Instance or Instances of the software is installed.
Use	Means to install, store, load, execute and display one copy of the software.

Software Specific License Terms

Software products with software specific license terms are described below. Software products covered by this ALA document (as listed above) and not covered in this section do not have software specific license terms.

Legal Hold

Legal Hold Server is licensed per Server based upon number of Employees in the business active Servers running the software.

Legal Hold Notice and Interview Processing Server is licensed per Server.

Legal Hold Notice and Interview Form Processing is licensed per Concurrent Active Custodian.

Additional License Authorizations

For Archiving and Risk Management software products

Legal Hold Collections and Preservation Policy Server is licensed per Server.

Legal Hold Indexed Volume Content is licensed per Gigabyte.

Legal Hold Non-indexed File Content Server is licensed per Server. Allows indexing of a limited quantity of documents with a single IDOL content Server.

Legal Hold Desktop per Device is licensed per Device. Each Device on which this software is installed requires a license. Licenses are transferrable between Devices.

Additional License Terms

Term	
A.	Software contains software and associated specifications licensed from third parties that are confidential to, and trade secrets of, such parties. You will not take any action other than to Use it as authorized under the agreement as part of the software products and will not disclose it to third parties.
B.	You shall install and use the software as authorized in the applicable agreement only as a complete product and may not use portions of such software on a standalone basis separate from the complete software unless expressly authorized in the Supporting Material, specifications or an applicable agreement.
C.	Unless stated otherwise, you are authorized to Use one Device at a time for your Internal Use.
D.	Any licensing terms designated as being of Autonomy that may be embedded in the software are inapplicable in their entirety.
